SO NICE TO MEET *you.*

Chantal grew up obsessed with storytelling and entertainment. Since the early days of celebrity blogs & music countdown shows like “106 & Park” and “TRL”, Chantal has always been infatuated with creating visuals and content that elevates the stories of fascinating people all over the world.

From producing videos that showcase the beautiful and fun ways people experience one another, to conducting a captivating interview with your favorite celebrity; Chantal’s purpose on this earth is to be a vessel of goodness and connect the world through thoughtful storytelling.
